

# LIFELINE ACRYLIC

## Enhance your Room with a Clear “furniture-grade” Satin or Gloss Finish

We proudly offer *Lifeline* Acrylic Satin & Acrylic Gloss premium clear coats for the interior of your natural wood home. There is no better way to dramatically enhance the beauty of your walls, ceilings, beams, millwork and cabinetry.

*Lifeline* Acrylic Satin & Acrylic Gloss are water-borne, so they can provide the toughness, clarity and durability of polyurethane - without the mess or offensive odor. Their special formulas are a delight to work with and simply glide onto the wood. You'll get more done with better results than with other competitive finishes.

Choose *Lifeline* Acrylic Satin or Acrylic Gloss for the lowest-maintenance solution for the interior of your home.
