

SMART STRIP

Finish Remover

SMART STRIP Professional Finish Remover is an environmentally friendly, water-based solvent that removes most oil and water-based stains and topcoats.

SMART STRIP contains no harsh chemicals, is biodegradable and non-flammable and unlike caustic strippers, SMART STRIP will not darken nor discolor the wood.

Features and Statistics

- **Removes most finishes from logs, siding and deck surfaces.**
- **Is environmentally friendly.**
- **SMART Strip is not recommended for removing lead-based paint or paint that was applied before 1972.**
